You See Vernon

Lori, being a senior and being
as extremely talented as you truly
are, you could be a terribly
conceited snob and say the
hell with sophomores. This
you certainly are not. You've
been extremely warm and friendly
to me, and also very helpful,
in my speech work. This I'm
glad for. For these reasons
and many more, success
will surely be yours to
possess.

Dear Lori,

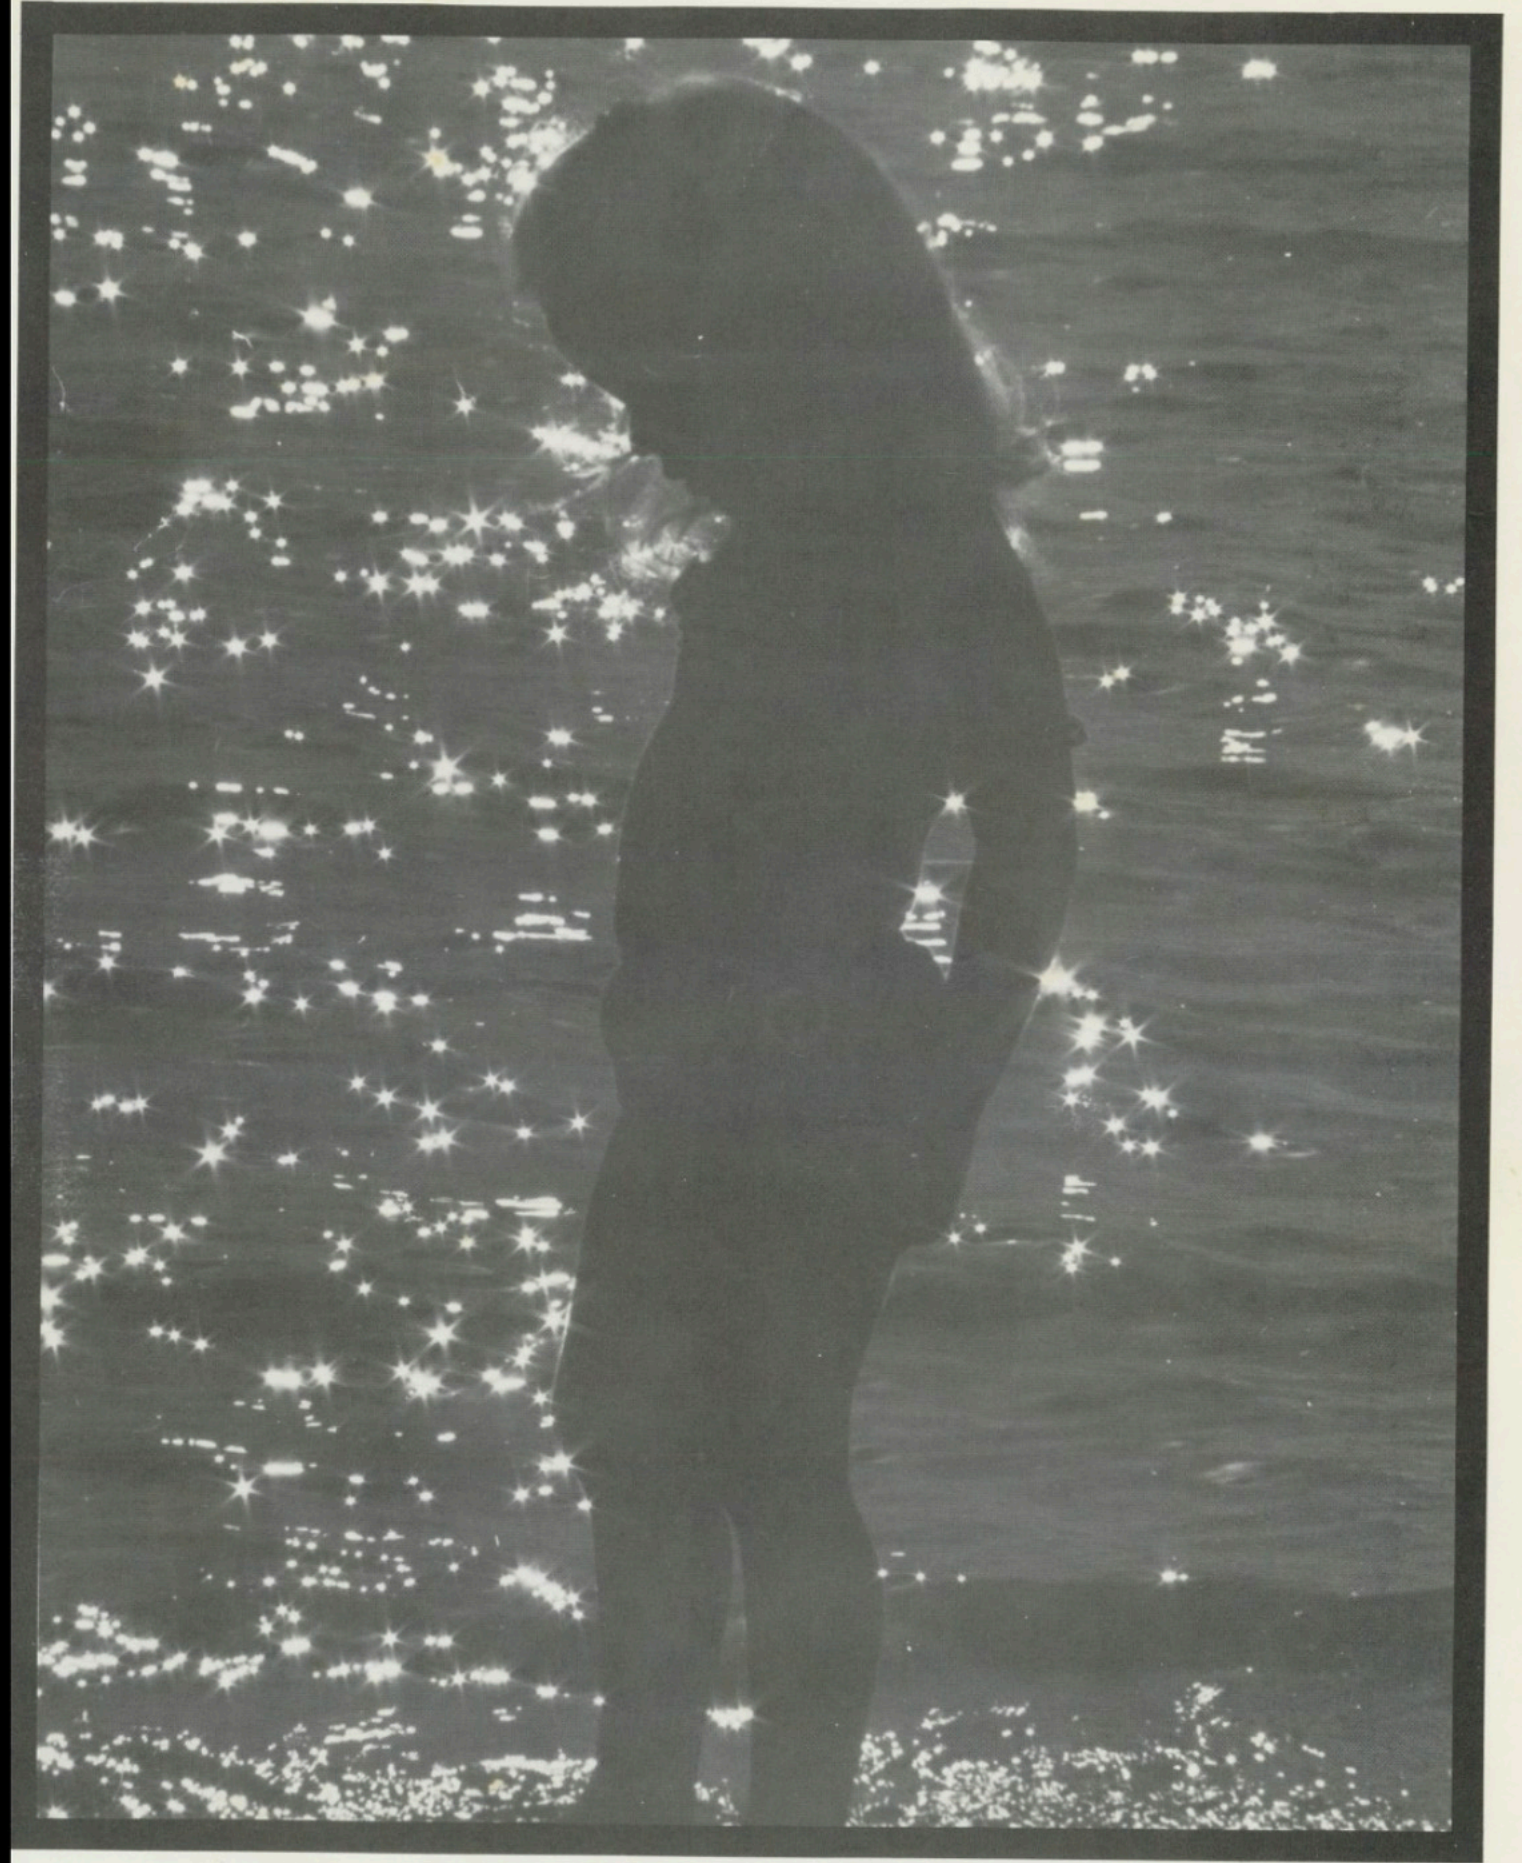

It was fun knowing you this year. I really enjoyed talking to you at some of those speech parties. I know that whatever you decide to do you'll be successful at - with your desire, ability, dedication, personality and looks you can't fail (only to mention a few ^{of your many} good qualities.) Thank you for the critique section in speech. Take Care + Good Luck + Best Wishes - Always

I do consider you my friend, and to me that's the best thing to be. You've been a smoking buddy, party buddy, joke buddy, spect, buddy, lunch buddy, but mainly someone I could talk to and would understand, and someone that I was glad to listen to also.

So many times it seems that close friendships break with the end of highschool, I really don't want that to happen. (I know a good thing when I see it) We're just starting out so let's not begin with the loss of a friend. You are a rare person in the good sense, please share a little with,

Lori,

I hope you have all the happiness in the world. I know your personality will take you far in life since it takes other people far as well. Thank you for all the help you have given me and all the acceptance you and everyone has given me in speech. From the inside looking out, you have your whole life ahead of you. Good luck and in whatever you do, Enjoy. Remember, Never Underestimate yourself.

Some of the outstanding players on the team were Cindy Sigman, Cindy Levin, Diane Hallman.

We congratulate the team for showing beautiful form and sportsmanship.

They, again this year, benefited from the expert coaching techniques of Coach Hughes and Coach Osborne and won the respect of many teams they played as well as that of the school they represented.

We congratulate the team for their superb effort and look forward to next year's season.

Coach Goodwin: Superb coaching technique enabled him to send two wrestlers to State this year.

Thomas Jefferson was fortunate this year in having two very fine wrestlers represent Thomas Jefferson and this district in the State Wrestling Tournament. Therefore, special congratulations are in order for Tom Young and Bill Giesler who did an outstanding job this year.

Another fine TJ team this year was the Wrestling Team. They had some good talent and this, combined with the fine coaching of Coach Goodwin, produced a wrestling team of high standard and great competitive prowess.

The entire school and all the team supporters are eagerly awaiting this team's next season as it is expected that they will be as good or even better than this year.

Spring Track

In spring sports this year one outstanding team was the men's track team. They competed well in every event, in which they participated and proved tough opposition for all their opposite teams.

Another factor that was to their great advantage was the fine coaching of Mr. Learned and Dr. Motz, who proved an inspiration for the team. The team also benefited from the participation of such athletes as Mike Rausch, Walt Bastron, Carlton Hockaday and Ken Lehrer. Dr. Motz was named 1976-77 head football coach the latter part of February.

Girls Track

A team that is really going places is the T.J. Girls' Track team. They showed a lot of promise and talent in the many events in which they competed.

The coach of the team this year, Pat Johnson, feels that this team works with great comradship and spirit and this was reflected in their competition this year.

Some of the outstanding members of the team this year were Iris Peters in relays and the 220; Melody Morgan in the high-jump and relays; and Jean Brown in the mile.

KEY CLUB

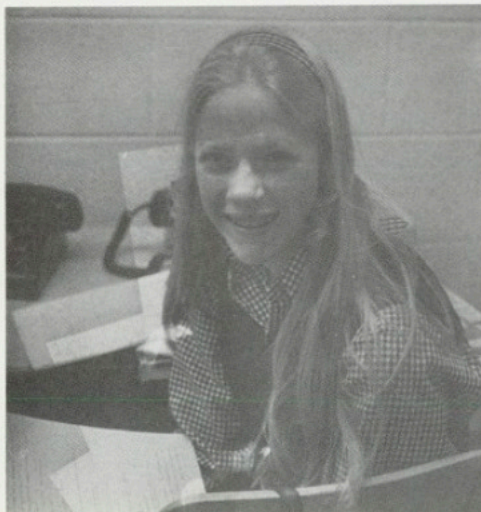

Fifty years ago, the first Key Club grew out of the idea that it is better for man to care for others than to care only for himself. Now, some fifty years and 3,600 clubs later, the T.J. Key Club has carried on this spirit of caring. This year, under the direction of Mr. Gerald Stone and Mr. Donald Lawless, T.J.'s Key Club set out to accomplish more, and work harder than any other club in the past. This they did, with such service activities as candy sales for the Kidney Foundation, acting for the March of Dimes Haunted Castle, a canned food drive, a party for mentally handicapped children, and later in the year sponsoring a Donkey Basketball game. This year's Key Club has set a high standard for future clubs to try and equal.

Key Club Officers are: Joe Crawford, President (lengthwise); (left to right) Kip Cavey, Sgt. at Arms; Matt Brickell, Vice-president; Cam Williams, Treasurer; Kevin Kurz, Secretary.

Thomas Jefferson's 1975-1976 Key Club, together with sponsors Gerald Stone and Donald Lawless, has set an example for future clubs.

"Aah, the joy of skiing!"

The Ski Club this year has approximately 313 members. Officers are: Bob Serotta, president; Carol Nevens, business manager; Mary Rozinski, assistant business manager; and Bob Galloway, treasurer. Ski trips have covered most of the major slopes in Colorado.

SPARTAN FOOTBALL: VARSITY SQUAD

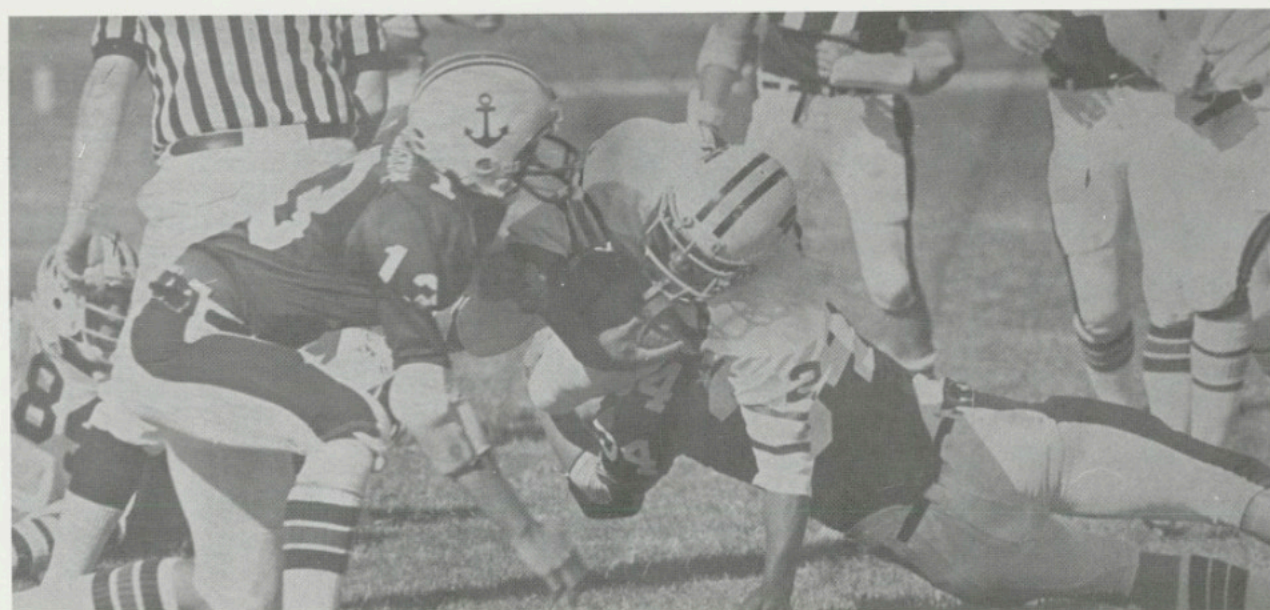

The Varsity Spartan football team this year, though they didn't have a phenomenal season, had a lot of talent to work with both in the backfield and on the line. They also had the assistance of three very fine coaches, Dick Golder, Andy Geiss and Ken Hughes.

It is regrettable, however, that this was the last year of coaching for Mr. Golder as he resigned this year. He has coached at T.J. for many years and has done a tremendous job.

Togetherness is . . .

SOPHOMORE FOOTBALL

It's gotta be just right!

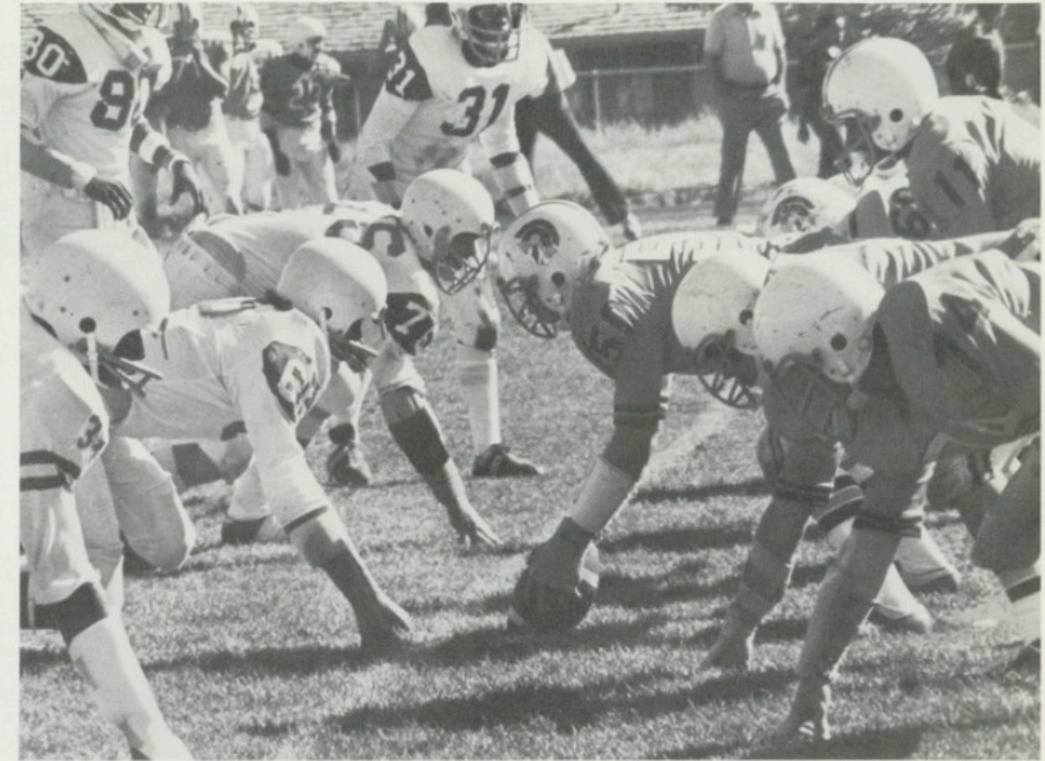

One team that really represented Thomas Jefferson this year was the Sophomore football team. Though they lost a game to Kennedy High School, they still came out on top because of the fact that Kennedy forfeited two games, among them the game against T.J.

The Sophomore Team went on to take the City Championship with the help of their two coaches, Rex Peters and Herman Motz, who combined their talents and went with a team which performed with a high degree of sportsmanship and ability.

Dr. Motz was named head varsity coach for the 1976-77 season.

SOCCER

Soccer players display their manners.

After you!

Thomas Jefferson Soccer Team this year had an exceptionally successful season, winning 13 games, tying one, and losing only three. This is the best season any Soccer Team from Thomas Jefferson has ever had. Much of this is due to the efforts of the team and of their coach Lou Westman.

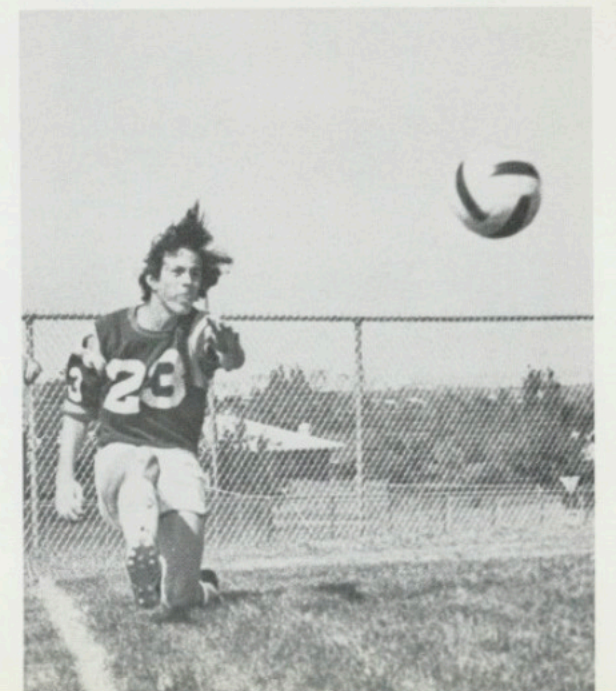

This year the team took city and next year it is expected that they will win the state championship.

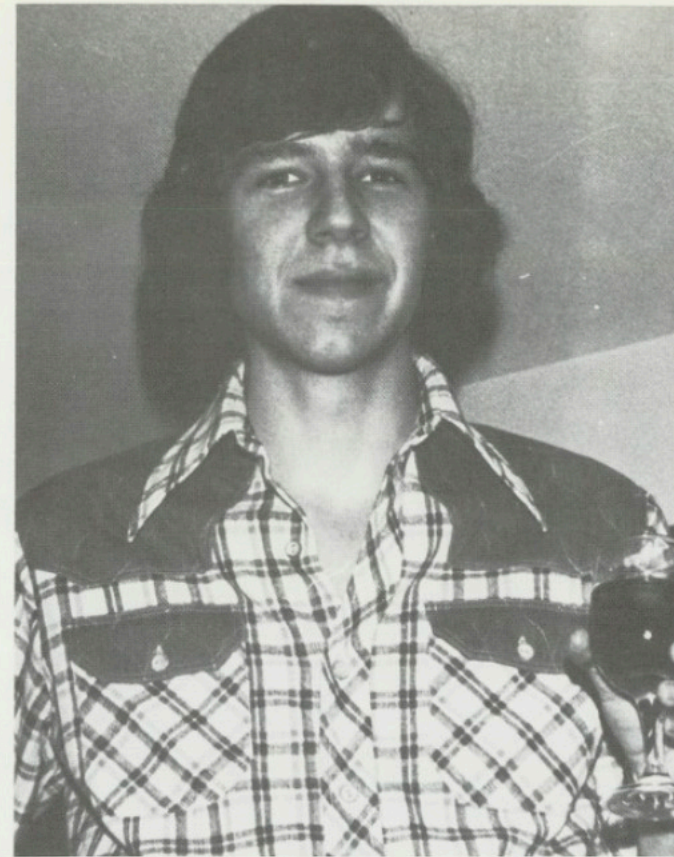

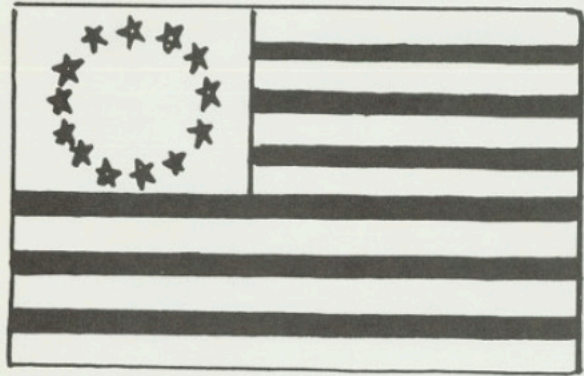

Back Row (1-r): John Mijer, Bill Tsiouvaras, Don Martinez, Larry Rose, Kelle Menogan, Mike Gertz, Mike Lundstrom, Jon Horne, George Canjar, Brad Figel, Jay Freed, Randy Sellman, Matt Brickell, Kevin Kurz, Coach Lou Westman.

Bicentennial Club

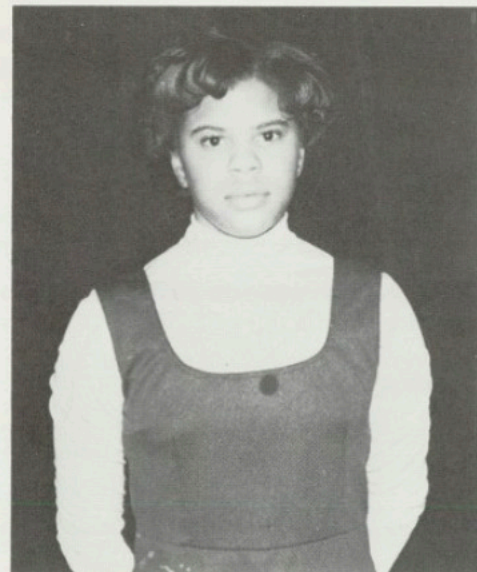

Students at Thomas Jefferson, especially seniors, have a lot to celebrate in 1976. For one thing, it is our country's 200th birthday-- although by summer we may have heard too much about it. It is also Colorado's Centennial, which is a little more special since not quite as many people are talking about it. It is also election year, and leapyear. Some Americans may be somewhat cynical about electing another president, but others are more inspired to examine the candidates after past events. Of course, the most important thing happening this year is the graduation of this class of seniors. Our class has an important task to carry out.

First semester, Bicentennial Club activities included a visit to the stock show, and to the celebration of the Chinese New Year in Central City. Second semester the club elected new officers. They made plans to have an assembly in March, to attend the opening of the Opera House in Central City, to see the musical "Paint Your Wagon" at U.N.C., and to attend the Holly Horse Racing at Gateway Downs Race-track in April.

Officers for first semester are (left to right): Mindy Quinn, treasurer; Stan Burkcamp, sales manager; Lisa Barrante, president; Dave Pierce, assistant sales manager; Tina Schmidt, publicity. Also, not pictured are: Theo Tsiouvaras, vice-president; Debbie Spears, secretary; George Betz, photographer.

Officers for second semester are: Lisa Barrante, president; Tracy Tagliaffari, public relations; Theo Tsiouvaras, vice-president; Lori Vernon, secretary; Greg Johnson, treasurer.

Thespians

The Drama Club at Thomas Jefferson is one of the finest High School Drama departments in the state. Every year the club, under the direction of Harry Schanker, produces wonderful presentations of entertainment. The people in the club learn about the various facets of what goes into a "Broadway Production." This year the club will present or help to present, "Johnny Moonbeam," "The Curious Savage," "Pale Pink Dragon," "1776," and "Molly Brown." The club will travel to Muncie, Indiana, this June for an International Thespians Convention. The club is very active, and probably one of the most fun clubs to join, especially if you like to ACT, which all of you do!

With all of the problems facing the world, the International Relations Club faces a monumental task. This is to bridge the ignorance gap through knowledge. The club has guest speakers, and attends seminars on foreign countries to try to accomplish its goals. Most important, however, is that its forty members have much fun!

Means Love

The Pre-Med Club officers, shown with sponsor Mrs. Leah Hyman, are: Ron Emerson, President (back); Theo Tsiouvaras, Vice-President (not pictured); Lisa Schmidt, Publicity (with skeleton); Tina Schmidt, Secretary; Janet Butts, Treasurer; Lisa Barrante, Assistant Publicity (not pictured).

PRE-MED CLUB

Future doctors, nurses, physical therapists, vets, micro-biologists, and all students interested in any field related to health should join the Pre-Med Club. The club has speakers on various subjects, and other activities of interest to the members.

One of the most interesting things the club does is arrange one-day internships for members of the club in the field of their interests. For example, a student wishing to be a vet works with a professional vet for an entire day, getting a practical idea of what the job is like. The club also visits hospitals, laboratories, and any other place the members desire to see. The dues are only one dollar, and anyone interested in some type of medical field is welcome to join.

Seniors Lori,
 We've always

 Socialize Oh, well. I've always

 LOVE Scott Carrico

SAS, or "Seniors Appointed to Socialize," is a club which consists of a group of seniors who came together to do exactly what their title suggests--socialize. You may not have heard much about them this year, since they did remain in relative obscurity. However, these are the people who were responsible for many of the anonymous activities, such as painting the field house before the Homecoming game. Although their meetings were rarely formal, they did choose the following officers: Les Padzensky, president; Scott Carrico, vice-president; Don Heider, treasurer; Dave Orr, secretary.

Hi-Y Youth in Government

Hi-Y is an annual program designed to develop leadership in students who are interested in legislation and government. The YMCA sponsors the members from each participating club in Colorado to meet once a year at the capitol. The students come together like real congressmen; they make motions, write bills, and vote on them when they are completed. If they are passed in both the House and the Senate, they are sent on to the state legislature and the government, where the best few are selected.

This year sixteen students from Thomas Jefferson went to the legislature. The students were Justin Cohen, Mike Laufer, Mike Rifkin, Maureen Ryan, Glen Iwata, Jan Christensen, Leslie Schiffer, Don Siegel, Janet Butts, Tracy Crane, Anne Tobin, Carol Nevens, Lori Vernon, Theo Tsiouvaras, Glenn Cooper, Tammy Kaitz. Their school sponsor, Dr. New, was unable to attend.

Hi-Y members shown are (left to right): Lori Vernon, Theo Tsiouvaras, Tammy Kaitz, Leslie Schiffer, Ann Tobin, Jan Christenson, Maureen Ryan, Tracy Crane, Anne Tobin, Carol Nevens, Lori Vernon, Theo Tsiouvaras, Glenn Cooper, Tammy Kaitz, Don Siegel and Joel Berk.

*Lori,
You're a beautiful person, a bit cynical, but nice. I'm glad I've known you (what a privilege!)
You've got umph and I know you'll go as far as you want. (Maybe even to Casper). I love you and think you're a great little lady love,
Joe*

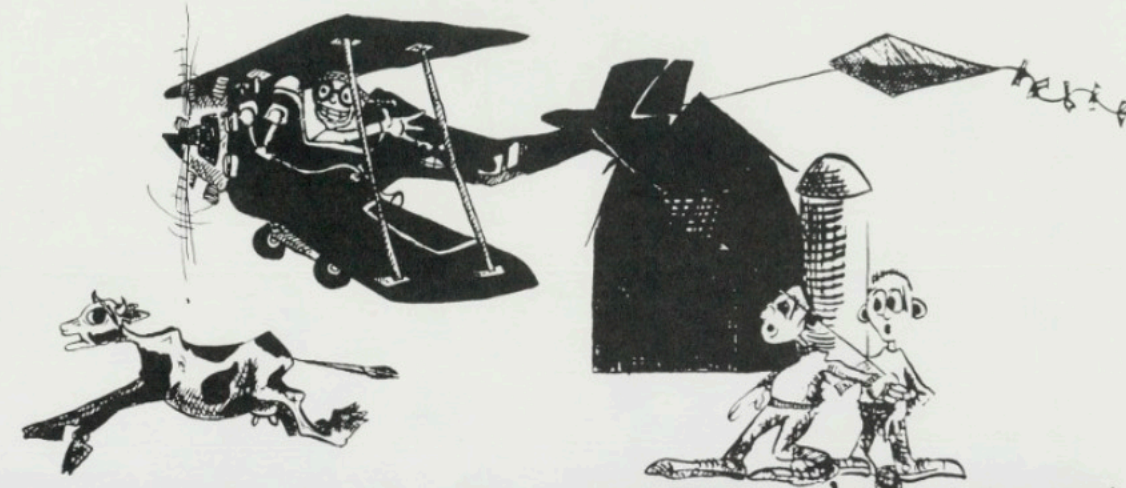

The Thomas Jefferson "It's Academic" team consists of (left to right): Mike Laufer (alternate); Harold Gunn (alternate); Vanessa Chambers; Dr. Motz (sponsor); Joel Berk (alternate); Ron Emeson; Justin Cohen.

"It's Academic" is a fast-paced and competitive half-hour quiz show which can be seen on Saturday nights at 5:30 on Channel 4. The fifty-four teams, each made up of three members and three alternates, play for individual recognition and school glory, as well as weekly prizes and grand champion scholarships. Each week, three of the teams compete and are quizzed by Dr. David Bowen. T.J. competed with Lakewood and Rocky Mountain on March 6, and the show was on the air April 3. The winner advanced to the playoffs.

Sponsors are Mr. Pierson and Dr. Motz.

BARNSTORMERS

This year the Thomas Jefferson Aeronautics club has been named. We are now called the "Barnstormers." We have chosen this name because we are sometimes still thought of as daredevils who fly at ground level, walk on wings, and jump from a perfectly good plane. Our name reminds us of the death-defying stunts in 1920's, and we are proud of our heritage and the expanding interest in aviation.

Officers are (left to right): Richard Shawn, Secretary; Jim Preslar, Treasurer; Jeff Simpson, President; Mark Shelton and Sid Tarrant, Vice-Presidents.

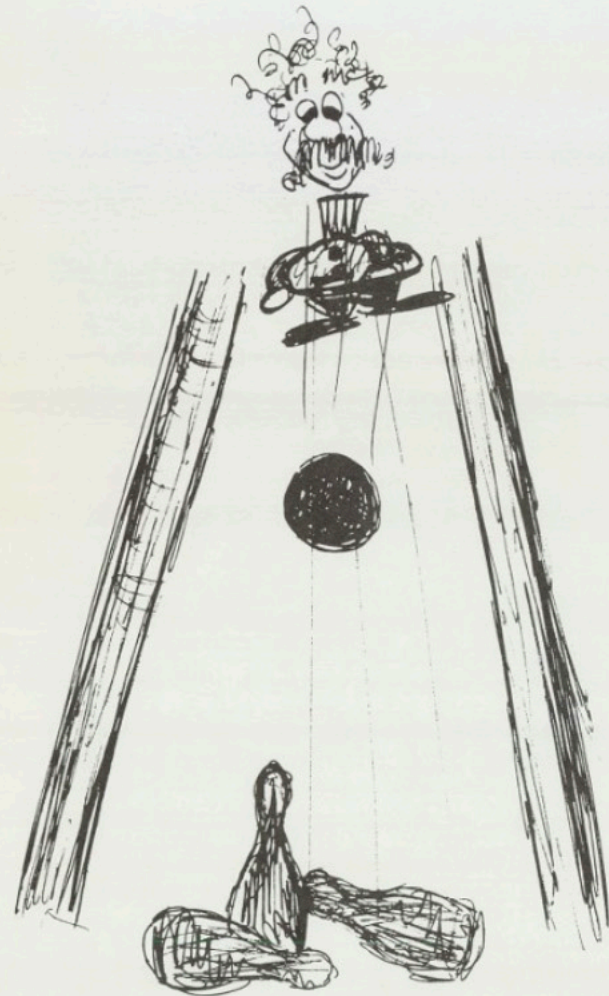

"Flying, in itself, is not inherently dangerous. But it is harsh and unforgiving to the uninformed, careless, or negligent."

TJ's Golf team did an outstanding job this year in every match played. Larry Bisdorf led the team and city by having the lowest average among all players. Much of the success was due to the coaching of Mr. Paul Epstein. As a team they did a tremendous job by winning the District championship.

The Girl's Volleyball Team was a real surprise to Thomas Jefferson. Coach Pat Johnson was a true leader of the volleyball team and will have the best coaching ability for the team for many years to come. This year's team ended with an exceptional record. The fact still remains that for their first year, it was excellent. It will be one of the greatest teams Thomas Jefferson has had in many years.

The Girls' Swim Team this year was a good one. They let the teams from around the City know what they were and proved that they could provide some stiff competition.

In their endeavors they were also helped along by the coaching of "Wally" Kiryluk and the efforts of the team as a whole. This enabled them to place in or in some cases win the meets in which they were participating.

The Girls' Gymnastics Team was another one of Thomas Jefferson's finer athletic teams this year. They represented the school well in every meet they participated in and the Jr. Varsity won the city championship for the B division. One outstanding member of the team this year was Lori Frasco, who took second place in State competition.

The coaches for the team this year were Shirley Brown and Cynde Sapp.

Let your fingers do the walking.

O Romeo, Romeo! Wherefore art thou, Romeo?

Bottoms up!

CROSS COUNTRY

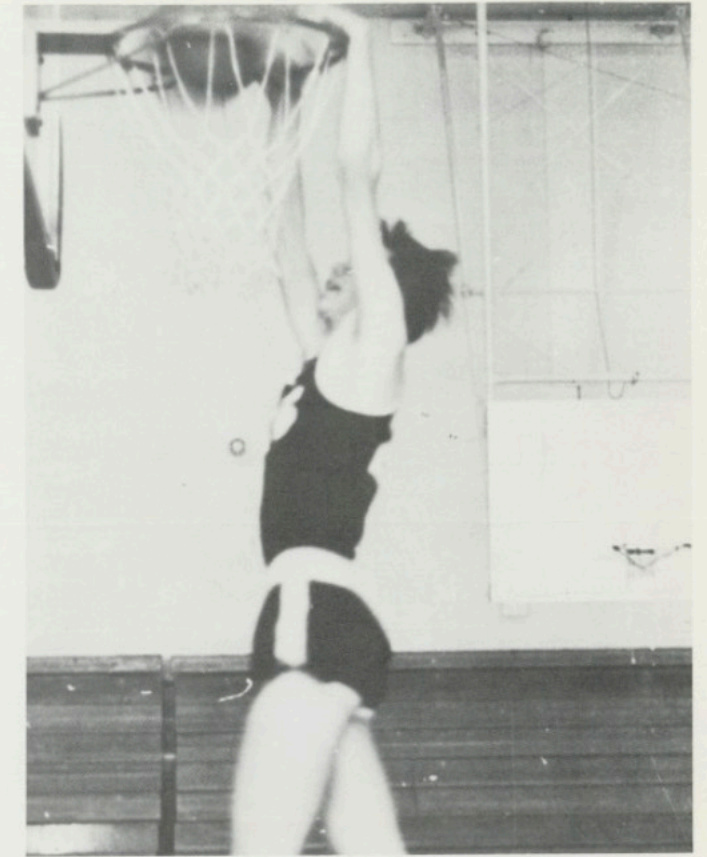

This year, the Cross Country Team was co-educational. The team achieved many victories for Thomas Jefferson and much of the credit for these victories goes to Coach Gordon Learned and his fine coaching techniques. They were blessed this season with many fine runners, among them Kenny Lehrer and Mark Forsyth who made the all city team.

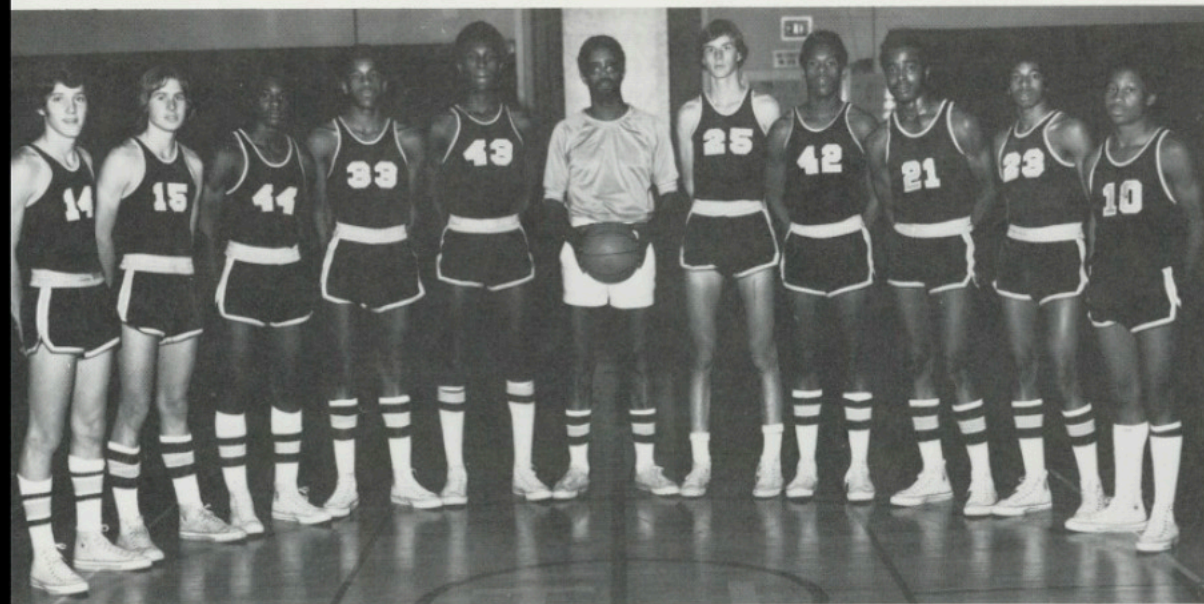

Front Row (l-r): Dave Frain, Kathy Gutierrez, Wendy Cozens, Mark Forsyth, Kenny Lehrer, Ellen Boyd, Kay Hoghaug, Don Clark.
Back Row (l-r): Coach Gordon Learned, Gordy Davis, Perry Goldenberg, Kenan Abosch, Mike Watts, Tom Meredith, Gene Kuark, Hal Gunn, Dean Cogswell, Jim Trautman.

Junior Varsity Basketball

I thought I saw a Puddy Cat!

A team that developed rapidly and extremely well this year was the Jr. Varsity Basketball Team. They appeared to be a team with some very fine talent and proved a match for the Varsity Team in inter-team scrimmages. This team, next year, will definitely carve a name for itself although we are sure the competition will be stiff. We will see more of them next year!

MARCHING BAND

Colorado River Trip

June 8-14, 1975

Hallelujah, Hollywood!

Pluto welcomes T J travelers for five days of education and fun in Hollywood. Disneyland offers an education in itself to the student of film and theater arts. The trip was October 16-20 and received special permission from the Department of Alternative Education, Mr. Robert Colwell, and Principal LaRue Belcher.

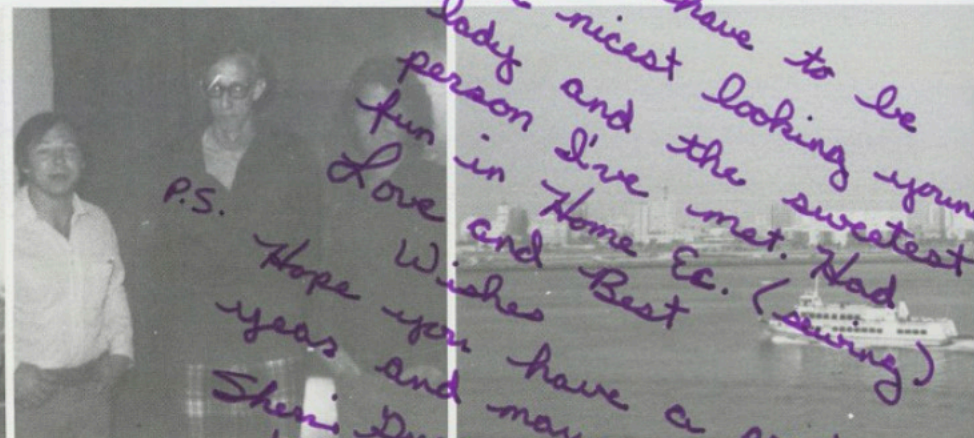

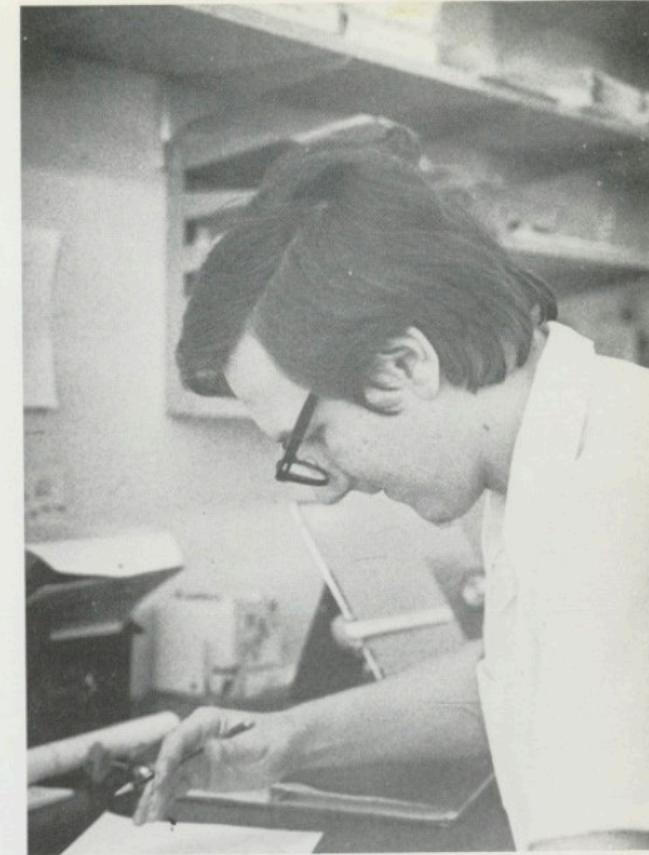

Filming of a Baretta sequence with Robert Blake ended up like this at Universal Studios. Yep, the pickup body is new but there's no engine. That's a fight scene in the background. The tour included Parting of the Red Sea, avalanches, collapsing bridges and behind-the-scenes filming.

A morning tour of Burbank Studios where no picture allowed, where the group around the Walton's table cabin and had a chance to see Harry O in action as well as watching scoring of a film was followed by a tour of the studio and a taping of "Wheel of Fortune," a game show.

First semester Intern Sheri Greenhaw worked at Young Audiences with sponsor Virginia Coen.

Universal will be remembered by many members of the group as being a part of an "Emergency" episode. Knotts Berry Farm and Movieland Wax Museum were added attractions and a day was spent aboard the Queen Mary and at the beach. Frank Welker, former Spartan, actor and comedian on the Merv Griffin Show; and John Findlater, guest star of "Switch," discussed career opportunities at a banquet at the Anaheim Hyatt House. Lower left is UCLA where a morning was spent at the Departments of Theater and Film Arts.

Led by Mr. Harold Mason and Mr. Douglas Fine, film teachers, the group included: Dale Andrews, Brent Bocim, Carol Danley, Debbie Ely, Ellen Garrett, Don Grant, Sheri Gregory, Laurel Hall, Karen Hendrickx, Dan Hugo, Jim Knous, Natalie Krist, Tony Leonardelli, Miki Lingier, Mary Marshall, Susan Phelps, Gary Romero, Mary Ruh, Rennae Shifflett and Curt Stringer. A larger group made the same trip in the spring. Cost was \$235 a person.

First semester Interns from Lt. to Rt.: Laurie Levin, David Moore, Paula Peri, Debbie Rott, Tracy Crane, Karen Whitaker.

Second semester Interns from Lt. to Rt.: Eric Newsum, Lisa Shore, Brent Coffee. Not pictured Cindy Haynes.

Interns of T. J.

Through the DPS Executive Intern program, students take a semester's sabbatical from classroom study to spend four days a week on the job with their sponsor and one day with other interns in seminars. Students are selected on the basis of maturity, independence, openness and interest in the jobs available. Students have the opportunity to view the business world. Experience is the best teacher.

Lorene Ethridge heads the Executive Intern program along with being Asst. Principal of Pupil Services.

*La Crosse . . .
1976*

This years LaCrosse Team, under coach Mark Panter and sponsors Bill Myers and Cheryl Betz was fantastic! The players worked extremely well together and were undefeated throughout March and April. One of the teams biggest wins was against KDCD. Hopefully, the TJ LaCrosse supporters will be strong enough to make this exciting sport an official D.P.S. sport.

The Fourth day of July, 1776, will be the most memorable epoch in the history of America. I am apt to believe that it will be celebrated by succeeding generations of celebration of the Great Anniversary by following generations. It ought to be celebrated from this time forward forevermore

Because your loyalty has given her dignity that shouts freedom is everybody's job.

UNITED-That means that we have all come together.

STATES- Individual communities that have united into 50 great states. Fifty individual communities with pride and dignity and purpose. All divided with imaginary boundaries, yet united to a common purpose, and that's love for country.

INDIVISIBLE-Incapable of being divided.

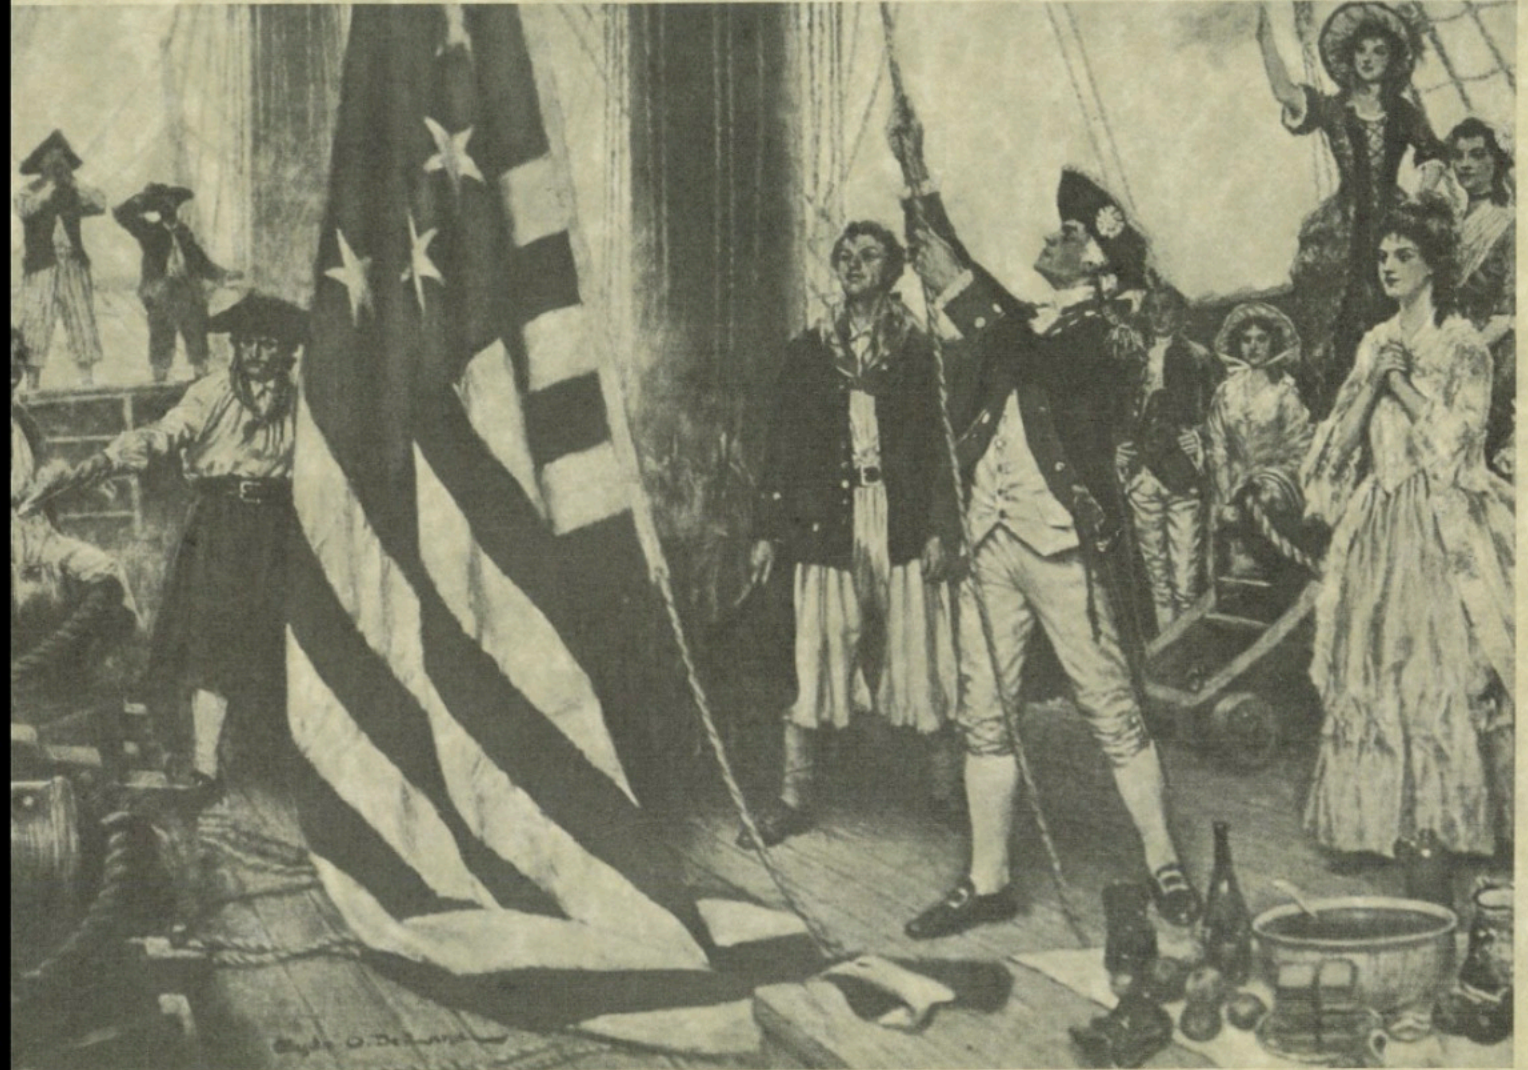

WITH LIBERTY-Which is freedom. The right of power to live one's own life without threats, fear, or some sort of retaliation.

Oari,

What a time it was! I hated speech but it was fun knowing you. Take care of yourself next year and keep your great personality - individuality. I'm sure that peace, love, and happiness will follow you always! The future will be good to you and don't forget your preliminary procedure. I just remembered all those congresses & H-4.

"May the road rise up to meet you, may the wind be at your back & may you stay forever young."

Take care & keep in touch. Love Mo

America

Let us be lovers,
We'll marry our fortunes together
I've got some real estate
Here in my bag.
So we bought a pack of cigarettes,
And Mrs. Wagner's pies,
And walked off to look for America.

"Kathy," I said,
As we boarded a Greyhound in Pittsburg,
"Michigan seems like a dream to me now.
It took me four days
To hitch-hike from Saginaw.
I've come to look for America."

Laughing on the bus,
Playing games with the faces,
She said the man in the gabardine suit
Was a spy.
I said "Be careful,
His bow-tie is really a camera."
"Toss me a cigarette,
I think there's one in my raincoat."
"We smoked the last one
An hour ago."
So I looked at the scenery,
She read her magazine,
And the moon rose over an openfield.
"Kathy, I'm lost" I said,
Though I knew she was sleeping.
I'm empty and aching and I don't know why.
Counting the cars
On the New Jersey Turnpike.
They've all come to look for America,
All come to look for America.

"Follow the Lonely"

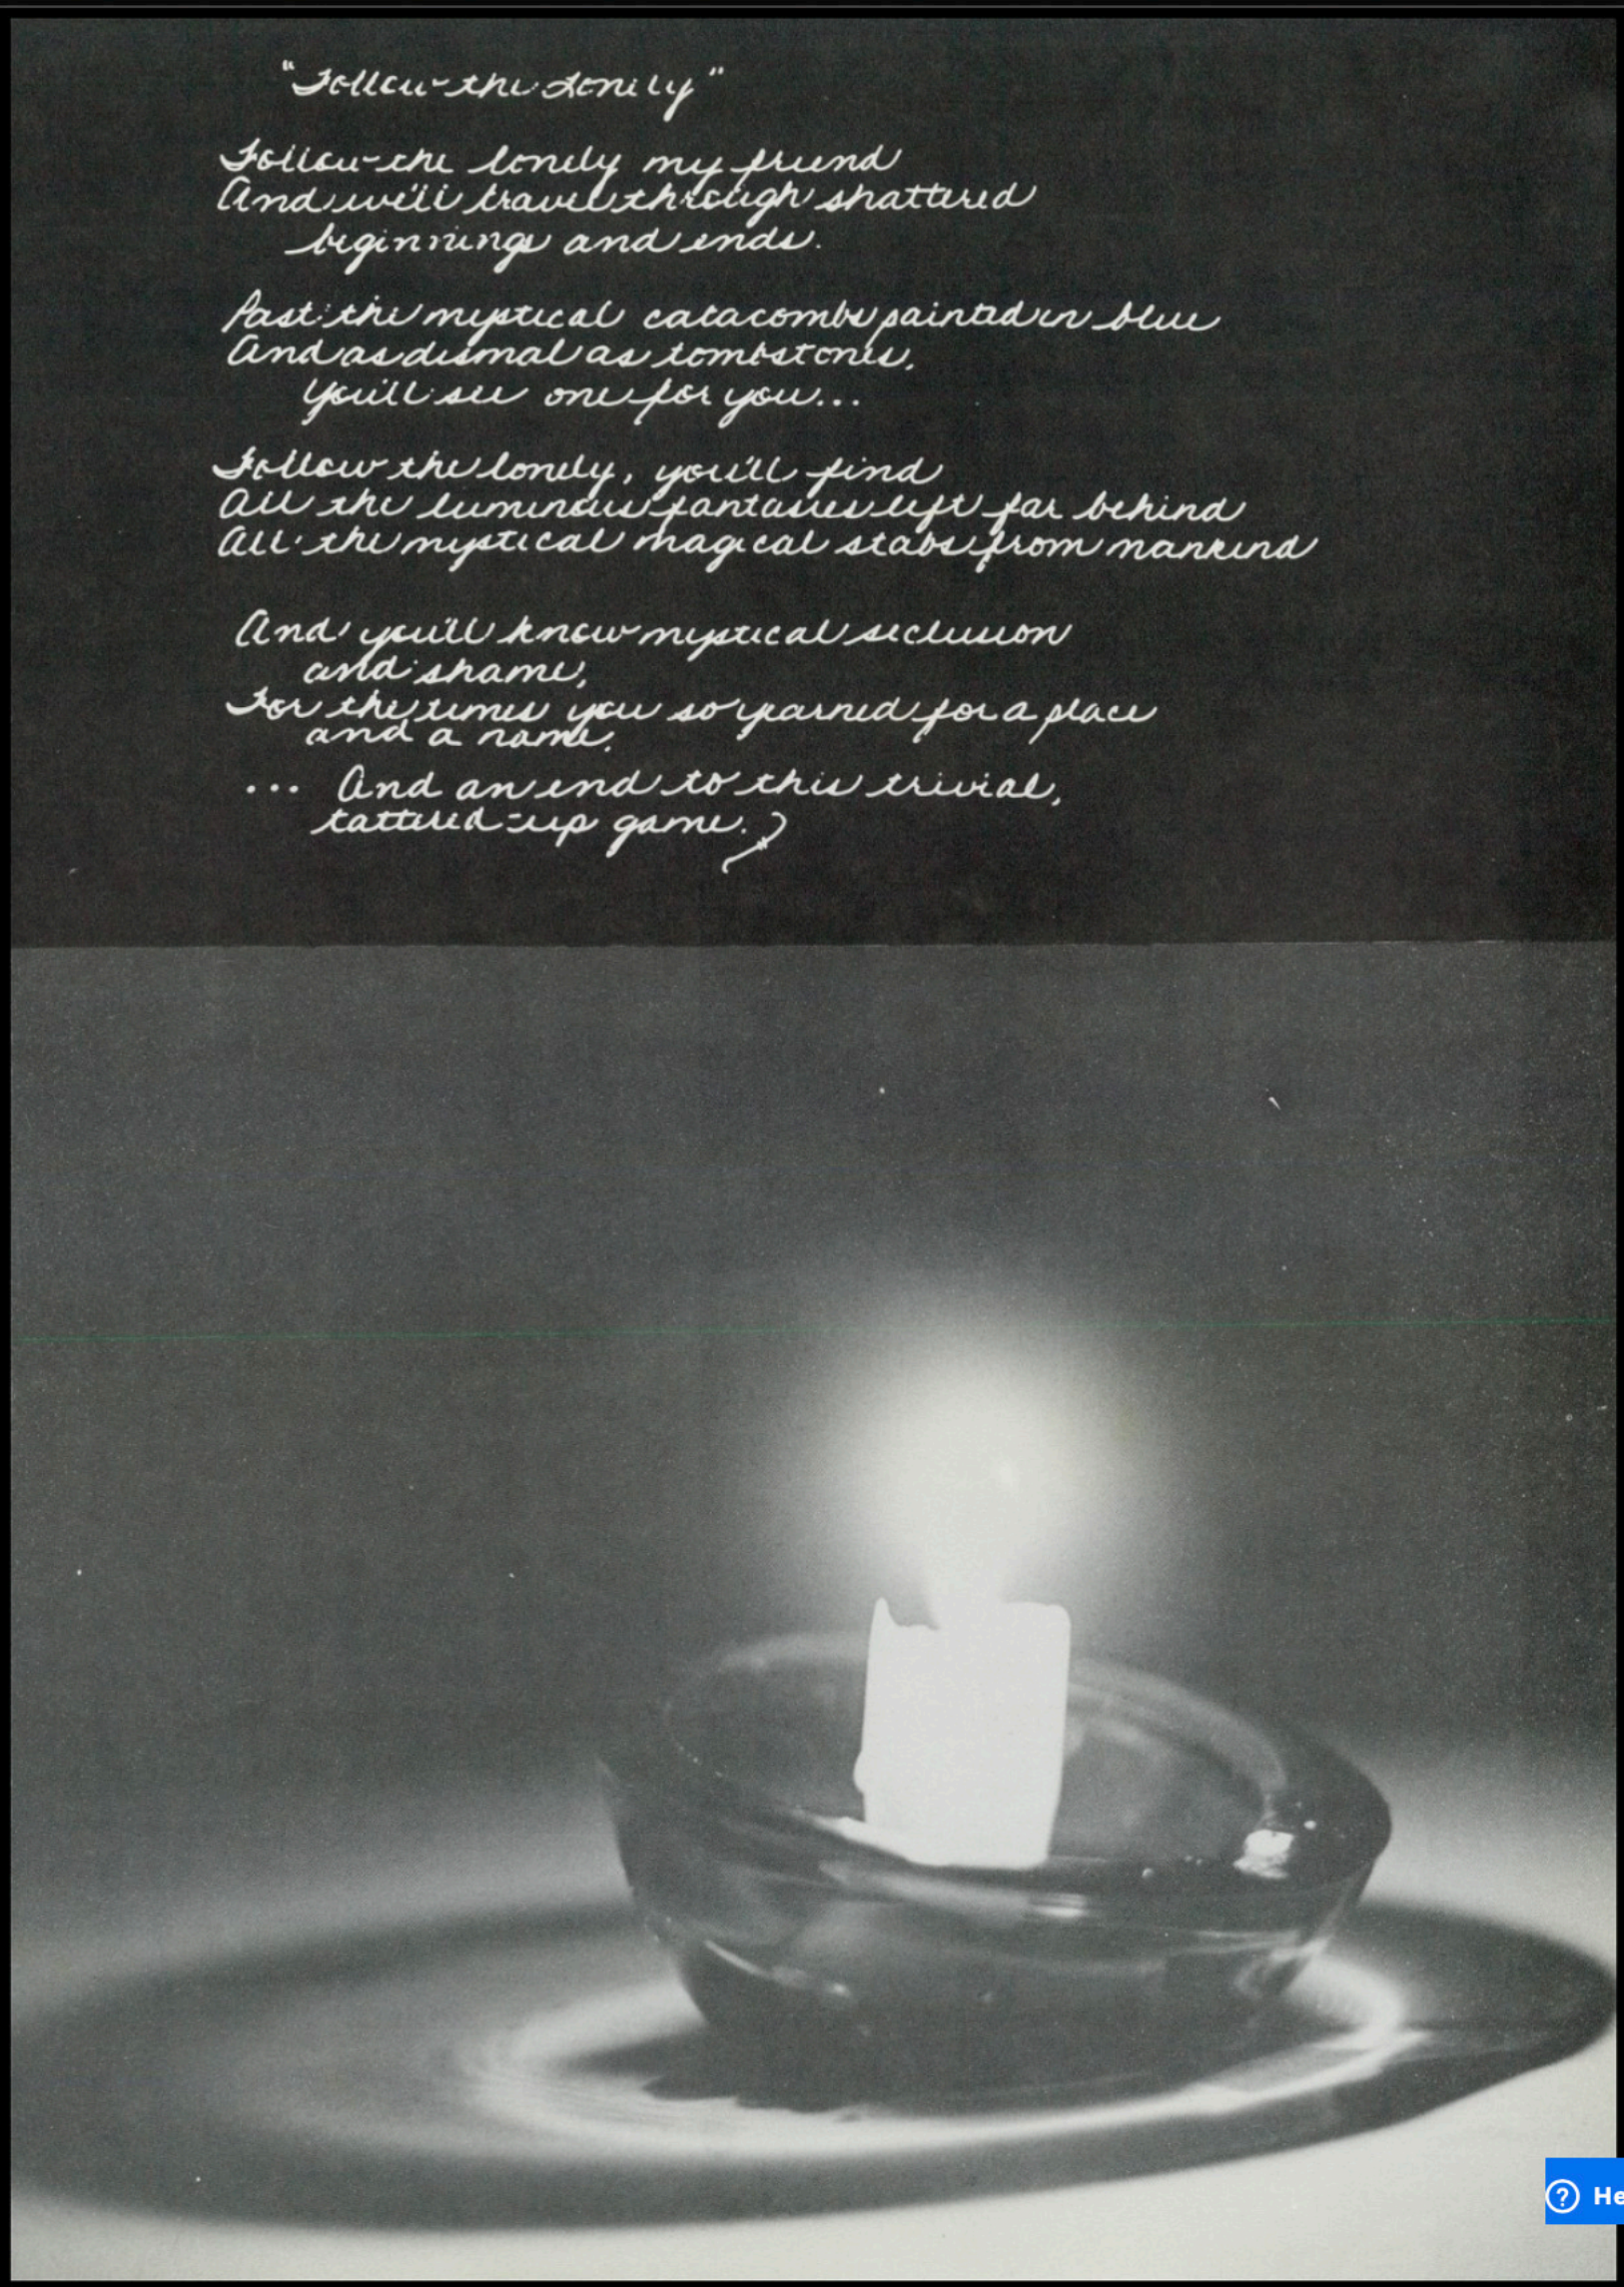

Follow the lonely my friend
And will travel through shattered
beginnings and ends.

Past the mystical catacombs painted in blue
And as dismal as tombstone,
You'll see one for you...

Follow the lonely, you'll find
All the luminous fantasies left far behind
All the mystical magical stabs from mankind

And you'll know mystical seclusion
and shame,
For the times you so pained for a place
and a name.

... And an end to this trivial,
tattered-up game.

Remember always that you have not only the right to be an individual; you have an obligation to be one. You cannot make any useful contribution in life unless you do this.

“Do you know where you’re going to?”

Do you know where you’re going to?

Do you like the things that life is showing you?

Where are you going to, do you know?

Do you get what you’re hoping for?

When you look behind you there’s no open door.

What are you hoping for, do you know?

*Once we were standing still in time, chasing the
fantasies that filled our minds.*

*And you know how I love you but my spirit was
free, laughing at the questions that you once asked
of me.*

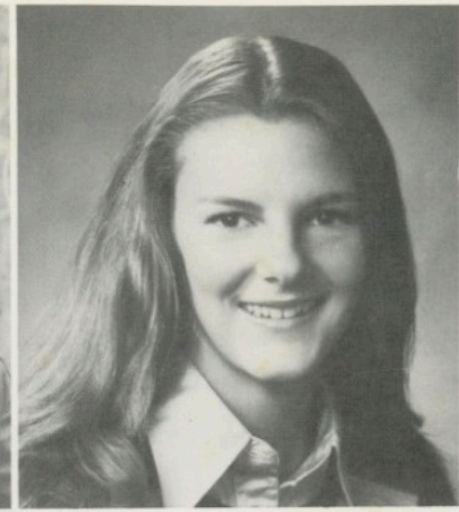

Do you know where you’re going to?

Do you like the things that life is showing you?

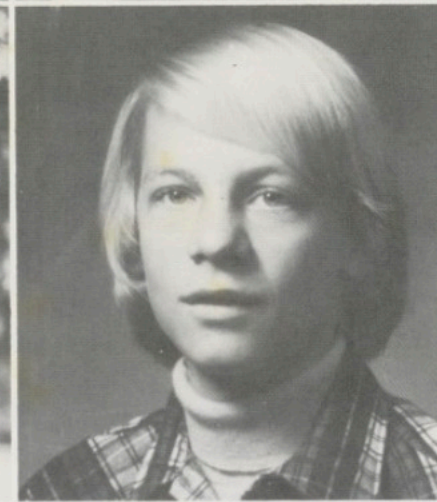

Where are you going to, do you know?

*Now looking back at all we planned, we let so
many dreams just slip through our hands.*

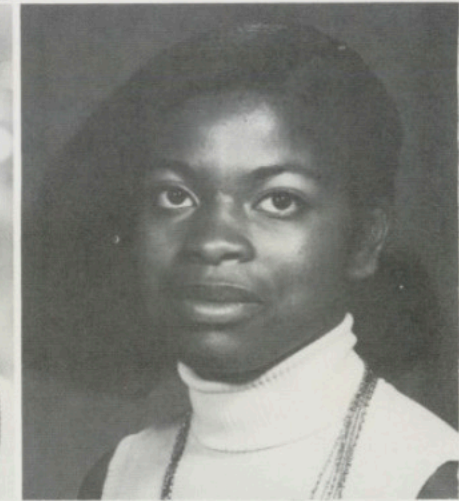

*Why must we wait so long before we see how sad
the answers to those questions can be?*

I may not lead
Just walk beside me
And be my friend.

To Lori,
One of the worlds
sweetest young
ladies I've have
ever known I
wish you luck
and success in
the near future.
Take care and
may god bless
you. May the
more you wish
for be the least
you get. (smile!)

A Celebration of Life

Like a dove flying free into the sunrise
I fly free of sorrow,
Like the evening shadows
I give up the day, grasping tomorrow.
Time has no hand on
And I've no special place.
Like a butterfly tripping along
Endlessly I play,
I've no bond holding me fast
and no road to follow.

Lori,
IT has been fun
this year getting
to know you, I only
wish there would have
been more times that
are us talking to you
I wish I could have
gotten to know you better
so you could share your
friendship and wisdom more
often. Good luck next year
and many years after.
Love

In the noisy confusion of life
keep peace with your soul. With
all its sham, drudgery and broken
dreams it is still a beautiful
world.
Be cheerful.

we need to feel more
to understand others.
we need to love more
to be loved back
we need to cry more
to cleanse ourselves.
we need to see more
other than our own little fantasies.
we need to hear more
and listen to the needs of others.
we need to give more
and take less.
we need to share more
and own less.
we need to look more
and realize that we are not so
different from one another.
we need to create a world where
everyone can peacefully live
the life they choose.

Part of the Plan

I have these moments
All steady and strong
I'm feeling so holy and humble.
The next thing I know
I'm all worried and weak
And I feel myself
Starting to crumble.

The meanings get lost
And the teachings get tossed
And you don't know what you're
going to do next.
You wait for the sun
But it never quite comes
Some kind of message comes
Through to you
Some kind of message comes through.
And it says to you . . .

Love when you can . . .

I had a woman
Who gave me her soul
But I wasn't ready to
Take it.
Her heart was so fragile
And heavy to hold
And I was afraid I might
Break it.

Your conscience awakes
And you see your mistakes
And you wish someone
Would buy your confessions.
The days miss their mark
And the night gets so dark
And some kind of message
Comes through to you
Some kind of message
Shoots through-
And it says to you . . .

Love when you can . . .

There is no Eden or
Heavenly gates
That you're gonna make it to
One day
But all of the answers you seek
Can be found
In the dreams that you dream
On the way.

-Dan Fogelberg

Love when you can
Cry when you have to . . .
Be who you must
That's a part of the plan
Await your arrival
With simple survival
And one day we'll all understand . . .

CLASS OF '76

The Circle Game

Yesterday a child came out to wonder,
Caught a dragon-fly inside a jar,
Fearful when the sky was full of thunder,
And tearful at the falling of a star,
And the seasons, they go round and round
And the painted ponies go up and down.
We're captive on the carrousel of time.
We can't return, we can only look behind
From where we came, and go
Round and round in the circle game.
Then the child moved ten times round the seasons,
Skated over ten clear frozen streams.
Words like, when you're older, must appease him,
And promises of someday make his dreams.
And the seasons, they go round and round
And the painted ponies go up and down.
We're captive on the carrousel of time.
We can't return, we can only look behind
From where we came, and go
Round and round in the circle game.
Sixteen springs and sixteen summers gone now,
Cartwheels turn to car wheels thru the town.
And they tell him, take your time,
It won't be long now, till you
Drag your feet to slow the circles down.
And the seasons, they go round and round
And the painted ponies go up and down.
We're captive on the carrousel of time.
We can't return, we can only look behind
From where we came, and go
Round and round in the circle game.
So the years spin by and now the boy is twenty,
Though his dreams have lost some grandeur, coming true,
There'll be new dreams, maybe better dreams,
And plenty before the last revolving year is through.
And the seasons, they go round and round
And the painted ponies go up and down.
We're captive on the carrousel of time.
We can't return, we can only look behind
From where we came, and go
Round and round in the circle game.
And go round and round and round in the circle game.

Thomas Jefferson's HC's Set Infinite Goals

If you have a goal in life
That takes a lot of energy
That incurs a great deal of interest
And that is a challenge to you

You will always look
Forward to waking up to
See what the new day brings.

If you find a person in your life
That understands you completely
That shares your ideas
And that believes in everything you do

You will always look
Forward to the night
Because you will never be lonely.

Susan Polis Schutz

The Thomas Jefferson High School ROTC took on a new image. They adopted its very own Calvary Color Guard. The Calvary Color Guard was an active unit of ROTC. They performed throughout the state doing show for schools, luncheons, meetings, and parades. When performing, they posted colors and also included their very own Flag Show. The audiences of all the shows were very complimentary. The Commander of this unit was Tony Szeluga. Members of this unit were (from l. to r.): Kelly, Szeluga, Menogan and Theil. This special unit helped ROTC commemorate the Centennial year along with the rest of Colorado.

THE ROAD NOT TAKEN

*Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;*

*then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,*

*And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.*

*I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.*

LOAI-
 WE'VE BEEN THROUGH ALOT, THE PROBLEMS, THE GOOD TIMES, ALL BRINGING US CLOSER TOGETHER. I HAVE ONLY 2 REGRETS, @ THAT I DIDN'T COME TO TJ SUMMER, AND @ THAT YOU AREN'T GOING TO BE HERE NEXT YEAR. WHAT AN INJUSTICE WAS DONE WHEN YOU WEREN'T SELECTED TO NATIONALS. AS PIERRE PHILOSOPHER ONCE SAID, "ALL MEN MUST COME TO PART THEIR WAYS." THE STATEMENT IS TRUE, BUT WHAT A PAIN IN THE ASS IT IS! KEEP IN TOUCH, OUR FRIENDSHIP IS TOO GENUINE TO LET DISSOLVE BECAUSE OF AGE OR COLLEGE.

PEACE, LOVE, AND MAY ALL YOUR DREAMS COME TRUE,

Lori -

All of the + teasing you
in speed, really made speed
worth going to the hour. Your dream
sessions were super!! However, you never
did wiggle your tassels for me. It's been
great fun knowing you, working with you and
traveling with you. Never forget the Malibu bars
to Trinidad and that Congress. Thanks for
being friends. Good luck & health + happiness
always! I know you'll always be successful
in whatever you do. Take care.
